OFFICIAL NEWSLETTER OF THE
OKLAHOMA CITY DISTRICT DIETETIC ASSOCIATION

President's Message

Welcome to the Oklahoma City District Dietetic Association! The OCDDA board is excited for this new year to begin and we have lots of exciting CEUs to offer! We have already kicked off this year with a fabulous vendor fair last month. We had fantastic participation from both professionals and vendors. It was a great time to network and meet other RDs in the metro area.

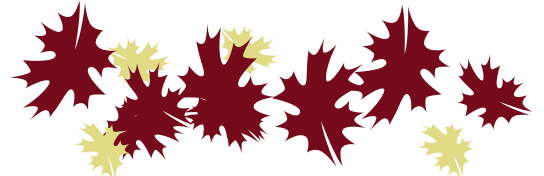

If you missed the vendor fair we have another meeting coming up November 1st at OUHSC College of Allied Health, 1200 N. Stonewall Ave., Room 2028. Social and snacks are from 5:30-6:00 pm. Lecture and hands-on-activity will be from 6:00-7:00 pm. Peggy Turner will present, "To Drop or Not to Drop!", where she will discuss the dietitian's role in tube feeding orders and teach how to place feeding tubes using a computerized enteral access device.

Become a member today and enjoy meetings throughout the year and meet other RDs from across the metro area! Remember to check back at our website www.ocdda.org for meetings and up-to-date information. We look forward to seeing you soon!

- Melissa Church, MS, RD/LD

P.S. See page 4 of this newsletter for details of our next meeting, and watch for email updates and check out our website at <http://www.OCDDA.org> for more information on upcoming meetings. We look forward to seeing you soon!

OCDDA Fall Kick-Off Meeting

Greetings! OCDDA kicked off the year with a wonderful meeting and vendor fair. Over 75 people attended. Attendees were able to network with other local dietitians and learn about new local products and services from the numerous vendors who participated in the event. Goodie bags were provided by Homeland and some lucky attendees went home with a special raffle prize. A big thanks goes to the Peggy and Charles Stephenson Oklahoma Cancer Center for allowing us to hold our meeting in their beautiful new facility. And a big thanks as well is due the following vendor participants:

CAMPUS

ORN ER

With the Fall semester well under way, the students at the University of Oklahoma Health Sciences Center are eagerly completing projects and studying for exams. New students are finding their rhythm on campus, while the veterans of the program are gearing up for internships starting in January 2012.

The Fall has proved to be quite busy for SDA thus far, with planning the Homeless Health Fair and partnering with other programs for the Holiday Head Start party.

Some of the students were able to attend FNCE in September in San Diego, which proved to be a valuable experience.

We have had a great year and are looking forward to all of the events and possibilities in the future!

-Lauren Outhier, OUHSC

The Nutrition Department at the University of Center Oklahoma (UCO) is looking forward to some changes this Fall. The dietetic interns that began in January have completed their clinical rotations and are preparing to graduate in December and embark on their new journey as dietitians. The Summer class of dietetic interns has completed its management rotations and is looking forward to spreading its knowledge of nutrition within the community.

Recently the interns collaborated with the Oklahoma Beef Council at the Oklahoma State Fair by demonstrating healthy ways to cook with lean beef. The cooking demonstrations drew quite the crowds and the interns had a great time teaching the audience about the benefits of choosing lean beef. In November UCO is hosting its 4th annual "Application Station", an event where students can gain information on the dietetic internship application process.

We are grateful for all the opportunities and unique experiences we have had throughout our internships. We look forward to participating in more upcoming events and wish everyone the best of luck in their future endeavors.

-Aimee Darnall, UCO
